SAI TIRUPATI UNIVERSITY, UDAIPUR		Extension and Outreach Policy

## 1. Preamble

## 1. Preamble

Sai Tirupati University (STU), Umarda, Udaipur, recognises Extension and Outreach activities as a core function of higher education, complementing teaching and research. As a multidisciplinary university with a strong focus on Medical, Nursing, Pharmacy, Allied Health Sciences, and professional education, STU is committed to engaging with society to address health, education, environment, social inclusion, and community development needs.

This policy provides a structured framework for planning, implementing, monitoring, and documenting extension and outreach activities in alignment with NAAC, NEP 2020, Sustainable Development Goals (SDGs), and professional council mandates.

## 2. Objectives

The objectives of the Extension and Outreach Policy are to:

- Promote social responsibility, ethical values, and civic engagement among students and faculty.
- Integrate community-based learning with academic programs and professional training.
- Contribute to public health, social welfare, environmental sustainability, and rural development.
- Strengthen student competencies such as leadership, teamwork, communication, and empathy.
- Establish long-term partnerships with communities, NGOs, hospitals, government agencies, and local bodies.
- Align extension initiatives with national priorities, SDGs, and institutional vision.
