

PRINCIPAL'S MESSAGE

It gives me immense pleasure and a feeling of accomplishment to address you as the Principal of

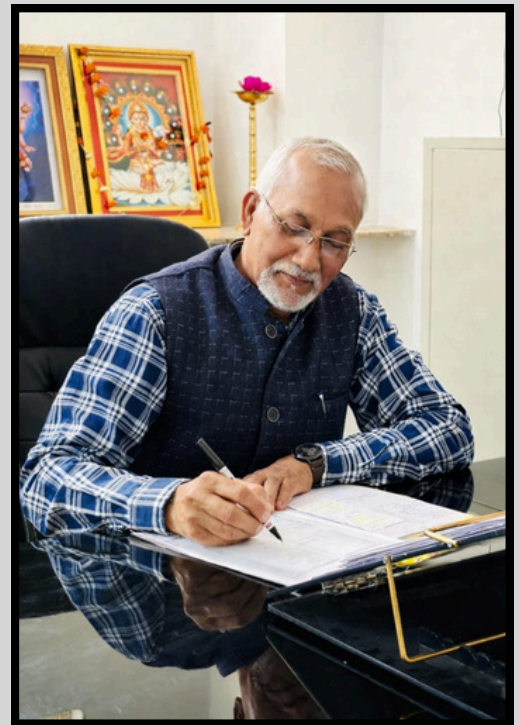

this prestigious institution. We are committed to providing our students with a wide variety of opportunities in order to help them attain their highest potentials.

Dramatic changes in the health care environment are impacting professional nursing practice in a variety of settings and providing new opportunities for expanding the role and function of the

nurse. We have made every effort to provide the students with all possible opportunities that will foster the scholarly and civic development in a safe and secure learning environment. A number of extra-curricular activities to are conducted at the college to ensure that the student's life is not only limited to the classroom but is extended much beyond that.

With a wisdom and vision of imparting quality knowledge and assembling strong pillars of paramedical field I persuade and applaud all parents for choosing this rewarding profession for their child and I welcome all affirmative and confident young warriors for the upcoming careers

in field of paramedical sciences.
