

EVENT COMPLETION REPORT

**63rd National Pharmacy Week
Celebration**

Date: 22nd – 23rd Nov 2024

Time: 11:00 AM onwards

Venue: Classroom-3, 1st floor and Sports Ground, Venkateshwar
Institute of Pharmacy

Organised by: Venkateshwar Institute of Pharmacy

1. Introduction

Venkateshwar Institute of Pharmacy celebrated the 63rd National Pharmacy Week on 22nd and 23rd November 2024 with the theme "Think Health, Think Pharmacy." The programme was organized as a comprehensive academic and co-curricular initiative to highlight the critical role of pharmacists in ensuring safe, rational, and effective healthcare delivery.

In the evolving healthcare ecosystem, pharmacists play a vital role not only in dispensing medicines but also in areas such as patient counselling, pharmacovigilance, drug safety, and public health awareness. Recognizing this significance, the institute designed this two-day programme to create awareness among students regarding the professional responsibilities, ethical practices, and emerging opportunities in pharmacy.

The event aimed to integrate academic learning with practical exposure by combining expert lectures, technical sessions, competitions, and interactive activities. It also provided a platform for students to showcase their knowledge, creativity, and analytical skills.

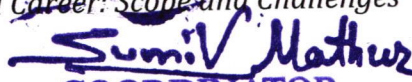

The strong participation, as reflected through attendance and photographs, indicates the relevance and effectiveness of the programme in promoting professional identity and academic engagement among pharmacy students.

2. Objectives

- To celebrate and recognize the role of pharmacists in public health and healthcare delivery
- To enhance awareness about emerging trends and innovations in pharmacy practice
- To promote professional ethics and responsibility among pharmacy students
- To provide a platform for academic, technical, and co-curricular engagement
- To strengthen student participation and experiential learning

3. Event Highlights

- The event commenced with a welcome address by Dr. Pakhuri Mehta, followed by a keynote speech from the Chief Guest, Dr. Kanupriya, who emphasized the evolving role of pharmacists in the global healthcare ecosystem.
- Technical and Awareness Sessions:
 - Expert lectures on *Pharmacovigilance, Rational Drug Use, and Emerging Trends in Pharmacy Practice*
 - Panel discussion on "*Pharmacy as a Career: Scope and Challenges*"
- Co-curricular Activities:

 - The event concluded with a vote of thanks by the organizing committee.

4. Outcomes

The programme recorded participation of 148 attendees, indicating strong academic and co-curricular engagement.

The event successfully achieved its objectives by enhancing students’ understanding of the pharmacy profession, its evolving scope, and its relevance in healthcare systems. The technical sessions contributed to improved knowledge regarding pharmacovigilance, rational drug use, and emerging trends, thereby strengthening academic learning.

One of the key outcomes was the development of professional awareness and ethical orientation among students, encouraging them to view their role beyond academics as responsible healthcare contributors. The competitions and activities provided a platform for skill development, creativity, critical thinking, and communication enhancement.

The programme also promoted student engagement, teamwork, and confidence, particularly through group activities and sports participation. Recognition of student achievements further motivated participants toward academic excellence.

5. Conclusion

The 63rd National Pharmacy Week Celebration at Venkateshwar Institute of Pharmacy was successfully conducted and effectively fulfilled its objective of promoting professional awareness, academic enrichment, and student engagement.

The programme demonstrated that structured academic and co-curricular initiatives can significantly contribute to developing competent, ethical, and industry-ready pharmacy professionals. The combination of expert sessions, competitions, and interactive activities ensured a balanced approach toward learning and skill development.

The active participation and positive response from students highlight the effectiveness of the programme in strengthening professional identity, knowledge enhancement, and confidence building.

The event also reinforced the importance of integrating classroom learning with experiential activities to achieve holistic education.
