

EVENT COMPLETION REPORT

Biomedical Waste Management Seminar

Date: 12/04/2025

Time: 10:00 AM to 02:00 AM

Venue: VIPS Campus

Organised by: Venkateshwar Institute of Paramedical Sciences

1. Introduction

Venkateshwar Institute of Paramedical Sciences organized an informative Biomedical Waste Management Seminar on 12th April, 2025 to create awareness among students about the proper handling, segregation, treatment, and disposal of biomedical waste. The seminar emphasized the importance of biomedical waste management in healthcare settings to ensure safety, hygiene, and environmental protection.

2. Objectives

- To create awareness about biomedical waste and its categories.
- To educate students on biomedical waste management rules and guidelines.
- To highlight the importance of proper segregation, collection, and disposal of biomedical waste.
- To sensitize students about health hazards associated with improper waste management.
- To promote safe and responsible practices in hospitals, laboratories, and healthcare institutions.

3. Event Highlights

- The seminar commenced at 10:00 AM with a brief introduction about the importance of biomedical waste management in healthcare systems.
- Mr. Yash Jain, Assistant Professor, VIPS, served as the resource person and delivered an insightful session on biomedical waste management.
- The speaker explained various categories of biomedical waste, color coding, segregation at source, storage, transportation, and final disposal methods.
- Biomedical Waste Management Rules and recent amendments were discussed in detail.
- Emphasis was laid on the role of paramedical professionals in maintaining safety standards and preventing hospital-acquired infections.

- The session included real-life examples and interactive discussion to enhance student understanding.
- Students actively participated and clarified their doubts during the question-and-answer session.
- The seminar concluded at 10:45 AM with a vote of thanks.

4. Outcomes

- Students gained comprehensive knowledge about biomedical waste management practices.
- Awareness was created regarding legal and ethical responsibilities of healthcare professionals.
- The seminar enhanced students understanding of safety protocols in clinical and laboratory environments.
- Participants developed a sense of responsibility towards environmental and public health safety.

5. Conclusion

The Biomedical waste management seminar organized at Venkateshwar Institute of Paramedical Sciences was highly informative and successful. The session effectively enhanced awareness among students about safe and scientific waste management practices. The seminar reinforced the importance of strict adherence to biomedical waste management guidelines in healthcare settings.

6. Acknowledgements

We express our sincere gratitude to:

- Mr. Yash Jain, Assistant Professor, VIPS, for delivering an informative and engaging session.
- The management of Venkateshwar Institute of Paramedical Sciences for their continuous support.
- Faculty members for their coordination and guidance.
- Students for their active participation.
- Technical and support staff for the smooth conduct of the seminar.
