

EVENT COMPLETION REPORT

Career Counselling Seminar on Scope of Paramedical Sciences: Guiding Students Towards Emerging Healthcare Careers

Date: 13 Dec 2024

Time: 11.00 am to 2.00 pm

Venue: 2nd floor, LT-3, PIMS college, STU

Organised by: Venkateshwar Institute of Paramedical Sciences

1. Introduction

Venkateshwar Institute of Paramedical Sciences successfully organized an informative and interactive Career Counselling Seminar on Scope of Paramedical Sciences on 13th December 2024 with the objective of guiding students regarding the rapidly expanding career opportunities in the allied healthcare sector. The seminar was designed to help students understand the significance of paramedical education, available academic programmes, professional roles, and long-term career growth prospects in healthcare services.

In today's evolving healthcare landscape, paramedical professionals play an indispensable role in diagnosis, treatment support, rehabilitation, patient care, emergency response, and clinical management. With the increasing demand for skilled healthcare manpower in hospitals, laboratories, imaging centres, critical care units, and research institutions, paramedical sciences have emerged as one of the most promising career domains.

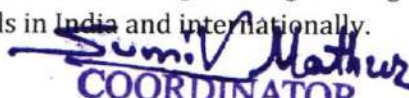

Recognizing the need for timely career guidance, the institute organized this seminar to assist students in making informed academic and professional choices based on their interests, aptitude, and career aspirations. The programme introduced students to various undergraduate and diploma programmes offered by VIPS, along with eligibility criteria, future scope, and employability trends in India and abroad.

2. Objectives

- To provide students with detailed knowledge about career opportunities in paramedical sciences.
- To create awareness about undergraduate and diploma programmes offered at VIPS.
- To explain eligibility criteria, admission pathways, and academic progression.
- To highlight employment opportunities in hospitals, laboratories, diagnostics, and research sectors.
- To motivate students to choose careers aligned with their strengths and interests.
- To strengthen awareness regarding the importance of allied healthcare professionals in modern medicine.

3. Event Highlights

- The seminar commenced with a welcome address by Ms. Vaidika Rathore, Event Coordinator, who emphasized the importance of career planning and informed decision-making.
- Dr. S. K. Mehra, Principal, VIPS, addressed the gathering and highlighted the growing demand for trained paramedical professionals in India and internationally.

Academic Programmes Presented:

Bachelor Degree Courses

- Bachelor in Medical Laboratory Technology (BMLT)
- Bachelor in Radiology & Imaging Technology (BRIT)
- Bachelor in Occupational Therapy (BOT)

Diploma Courses

- Diploma in Medical Laboratory Technology (DMLT)
- Diploma in Radiology Technology (DRT)
- Diploma in ECG Technology (DECG)
- Diploma in EEG Technology (DEEG)
- Diploma in Dialysis Technology (DDT)
- Diploma in Emergency Technology (DET)
- Diploma in Ophthalmic Technology (DOT)
- Diploma in Operation Theatre Technology (DOTT)
- Diploma in Cardiac Laboratory Technology (DCLT)
- Diploma in Blood Bank Technology (DBBT)

Key Discussion Areas:

- Course structure and duration
- Clinical training and internship opportunities
- Required skill sets and professional competencies
- Career prospects in hospitals, labs, imaging centres, ICUs, and rehabilitation units
- Higher education pathways and specialization opportunities
- Employment opportunities in India and abroad

Interactive Session:

- Students actively participated in a Q&A session and received personalized career guidance from faculty experts.
- Motivational remarks encouraged students to pursue healthcare careers with compassion, dedication, and professionalism.

4. Outcomes

The seminar proved highly beneficial for the participants and witnessed active participation from 220 students. It significantly enhanced awareness regarding the scope, relevance, and employability of paramedical sciences in the modern healthcare system.

Students gained clarity about available academic programmes, admission requirements, career pathways, and specialization opportunities. Many participants developed a renewed interest in healthcare careers after understanding the demand, stability, and growth prospects associated with allied health professions.

The programme also strengthened students' confidence in making informed educational choices and aligning their future plans with their strengths and interests. The counselling interactions helped resolve doubts related to courses, job prospects, and professional development.

Overall, the seminar successfully inspired students to pursue purposeful careers in healthcare while contributing to society through skilled and compassionate service. It also reinforced the institute's mission of nurturing competent future healthcare professionals.

5. Conclusion

The Career Counselling Seminar on Scope of Paramedical Sciences organized by Venkateshwar Institute of Paramedical Sciences was highly informative, motivating, and career-oriented. The programme successfully guided students toward understanding the vast opportunities available in the allied healthcare sector and the important role paramedical professionals play in strengthening healthcare delivery systems.

The seminar reinforced that careers in paramedical sciences offer not only employment opportunities but also the privilege of serving humanity through healthcare support services. Through expert presentations and interactive counselling, students were encouraged to make thoughtful and future-focused career decisions.

The event also reflected the institute's dedication to student welfare, academic guidance, and employability enhancement. Such initiatives are essential in bridging the gap between student aspirations and professional opportunities.

VIPS remains committed to organizing similar counselling and awareness programmes that empower youth to become skilled, ethical, and industry-ready healthcare professionals.
