Induction Program for Newly Admitted
Students (BMLT, BRIT & BOT Programmes)

Date: 03 - 05 Nov 2025
Time: 11:00 AM to 3:00 PM

Venue: VIPS Campus

Organised by: Venkateshwar Institute of Paramedical Sciences

1. Introduction

Venkateshwar Institute of Paramedical Sciences successfully organized a 3-Day Induction Programme from 3rd November to 5th November 2025 for the newly admitted students of BMLT (Bachelor of Medical Laboratory Technology), BRIT (Bachelor of Radiology & Imaging Technology), and BOT (Bachelor of Operation Theatre Technology). The programme was aimed to warmly welcome students into the academic family of VIPS and help them transition smoothly into their new educational journey.

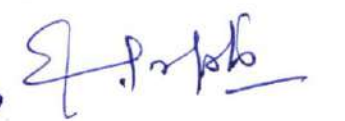

The beginning of professional education is a crucial phase in every student's life. It is important that students are introduced not only to the academic curriculum but also to the culture, values, discipline, and professional expectations of the institution. The induction programme aimed to provide students with a clear understanding of their courses, institutional facilities, academic regulations, examination system, clinical training pathways, and future career opportunities in the healthcare sector.

The event also focused on inculcating essential values such as professionalism, ethical conduct, teamwork, empathy, communication skills, punctuality, and patient-centered care. Through expert sessions, motivational talks, faculty interaction, and orientation activities, students were encouraged to develop confidence, positive attitudes, and a sense of belongingness.

2. Objectives

- To formally welcome newly admitted students and introduce them to the institute's culture and environment.
- To provide an overview of academic programmes, curriculum, and departmental facilities.
- To familiarize students with institutional rules, policies, and examination systems.
- To motivate students towards discipline, professionalism, and ethical values.
- To create awareness regarding internships, clinical training, and career opportunities.
- To foster confidence, teamwork, and positive faculty-student interaction.

 - Professional behaviour in healthcare settings
 - Patient confidentiality and privacy
 - Communication skills and empathy
 - Teamwork and workplace discipline
 - Real-life healthcare case examples
- The programme concluded with a Vote of Thanks presented by Ms. Nikita Pahuja.

4. Outcomes

The induction programme proved highly beneficial for all newly admitted students and successfully created a positive and motivating start to their academic journey. Students developed a clear understanding of their course structure, academic expectations, departmental functioning, and institutional rules.

The sessions significantly improved awareness regarding professional ethics, discipline, teamwork, and patient-centered care—qualities that are essential in allied healthcare professions. Students also gained confidence regarding their future learning path, practical exposure, internships, and career opportunities.

The interactive environment encouraged healthy communication between faculty members and students, helping reduce anxiety commonly associated with joining a new institution. Students felt welcomed, supported, and inspired to pursue their studies with dedication and sincerity.

Overall, the programme laid a strong foundation for academic success, professional growth, and holistic development of the students.

5. Conclusion

The Induction Programme 2025 at Venkateshwar Institute of Paramedical Sciences was highly successful, informative, and inspiring. It provided newly admitted students with a structured introduction to the institute, their respective courses, and the professional standards expected in the healthcare field.

The programme not only oriented students academically but also instilled values such as discipline, compassion, ethics, teamwork, and service to society. It helped students transition confidently into the academic environment while building a sense of belonging and enthusiasm.

Such induction programmes are essential in shaping motivated learners into responsible healthcare professionals. The event reflected the institute's commitment to nurturing competent, compassionate, and career-ready paramedical graduates.

6. Acknowledgements

The institute extends its sincere gratitude to:

- Dr. A. P. Gupta for his inspiring welcome address.
- President, Registrar, Deputy Registrar of STU, and Principals of constituent colleges for gracing the inaugural ceremony.
- All Heads of Departments, Lab Incharges, and faculty members for their active support.
- Mr. Rajesh Choubisa, Mr. Piyush Sharma, Ms. Vaidika Rathore, Ms. Nikita Pahuja, Mr. Kailash Karwa, and Mr. Yash Jain for conducting sessions and arrangements.
- Student volunteers for discipline and coordination.
- Technical, support, and refreshment teams for ensuring smooth execution of the programme.

Their collective efforts made the induction programme memorable and impactful
