

EVENT COMPLETION REPORT

Nasha Mukta Bharat Abhiyan – Drug-Free India
Awareness Program
*Promoting Healthy Choices, Mental Well-being &
Substance Abuse Prevention*

Date: 12th August 2024

Time: 12:00 noon onwards

Venue: Classroom 1 (1st floor), Pharmacognosy Lab and Pharmaceutical
Chemistry-I Lab (2nd floor), Venkateshwar Institute of Pharmacy

Organised by: Venkateshwar Institute of Pharmacy

1. Introduction

Venkateshwar Institute of Pharmacy (VIP) organized a highly impactful awareness programme titled “Nasha Mukta Bharat Abhiyan – Drug-Free India Awareness Programme” on 12th August 2024 as part of its commitment to social responsibility, youth empowerment, and national well-being. The initiative aligns with the Government of India’s nationwide campaign aimed at eliminating substance abuse and promoting a healthy, productive, and responsible society.

Substance abuse has emerged as a serious public health and social challenge, particularly among youth. Drug addiction not only affects physical and mental health but also leads to academic decline, social isolation, economic instability, and legal consequences. Educational institutions play a critical role in sensitizing students about these risks and equipping them with the knowledge and resilience required to make informed life choices.

Recognizing this responsibility, VIP organized this programme to educate students about the harmful effects of drugs, encourage preventive behaviour, and promote a culture of awareness, responsibility, and well-being. The session also emphasized the importance of mental health, peer influence, and lifestyle management in resisting substance abuse.

Through expert talks, interactive discussions, and awareness activities, the programme aimed to inspire students to become ambassadors of a drug-free society and contribute actively toward nation-building.

This initiative reflects the institute’s commitment to holistic education, health awareness, and social transformation.

2. Objectives

- To raise awareness about the harmful effects of drug addiction among youth
- To educate students about the psychological, social, and legal consequences of substance abuse
- To promote preventive education and encourage positive lifestyle choices
- To support the nationwide “Nasha Mukta Bharat Abhiyan” initiative
- To foster mental well-being, resilience, and responsible decision-making among students
- To inspire students to act as community advocates for a drug-free society

3. Event Highlights

- The programme commenced at 12:00 noon with a warm welcome to dignitaries, faculty members, and students.
- Dr. Khem Chand Gupta, Principal, delivered a thought-provoking address highlighting:
 - Physiological and psychological effects of drug addiction
 - Impact on personal life, family, and society
 - Importance of early awareness and prevention
 - Role of youth in leading a drug-free movement

- Dr. Pakhuri Mehta, Event Coordinator, emphasized the role of educational institutions in promoting mental health awareness and substance abuse prevention.

Key Activities Conducted:

- Awareness talks on types of substance abuse and their consequences
- Real-life case discussions demonstrating the impact of addiction
- Interactive sessions encouraging student participation and reflection
- Pledge-taking ceremony, where students committed to staying drug-free and spreading awareness

Awareness Campaign Elements:

- Display of informative banners, posters, and educational materials across the venue
- Distribution of awareness messages focusing on prevention and healthy living
- Engagement of students in discussions on peer pressure, stress, and coping mechanisms

4. Outcomes

The programme witnessed active participation from 126 attendees, including 111 students along with teaching and non-teaching staff, making it a highly engaging and impactful event.

Participants gained a comprehensive understanding of the harmful effects of drug abuse, including its impact on physical health, mental stability, academic performance, and social relationships. The session also helped students understand the legal implications and long-term consequences associated with substance abuse.

The awareness initiative successfully encouraged students to adopt healthier lifestyles, build emotional resilience, and make responsible choices. The pledge-taking activity reinforced their commitment to staying drug-free and acting as responsible citizens.

The programme also strengthened the institute's role as a proactive contributor to national health campaigns and social awareness initiatives. Overall, it created a positive behavioural impact and motivated participants to contribute toward building a drug-free society.

5. Conclusion

The Nasha Mukta Bharat Abhiyan – Drug-Free India Awareness Programme organized by Venkateshwar Institute of Pharmacy was highly successful, socially relevant, and impactful. The programme effectively addressed the critical issue of substance abuse by combining awareness, education, and behavioural motivation.

The event reinforced the importance of informed decision-making, mental well-being, and community responsibility in combating drug addiction. It highlighted that prevention through awareness and education is the most powerful tool in building a healthier society.

By actively engaging students and encouraging them to take a pledge against substance abuse, the programme contributed to creating a strong foundation for a drug-free future. It also emphasized the role of educational institutions in shaping responsible, informed, and socially conscious individuals.

The initiative reflects the institute's dedication to holistic student development, national service, and public health awareness. The institute remains committed to organizing similar programmes that empower youth and promote a safe, healthy, and progressive society.
