

EVENT COMPLETION REPORT

Rajasthan Mission-2030

Date: 4th, 6th September 2023

Time: 11:00 AM onwards

Venue: Venkateshwar Institute of Pharmacy, Umarda, Udaipur

Organised by: Venkateshwar Institute of Pharmacy

1. Introduction

Venkateshwar Institute of Pharmacy organized an awareness programme and student competitions on "Rajasthan Mission-2030" on 4th and 6th September 2023 to engage students in the state's long-term developmental vision. Rajasthan Mission-2030 is a forward-looking initiative aimed at transforming Rajasthan into a leading, inclusive, and economically progressive state by the year 2030, with active participation from citizens, especially youth.

Recognizing the importance of youth involvement in policy awareness and nation-building, the institute designed this programme to encourage students to critically analyse, articulate, and contribute ideas toward sustainable development, governance, and social progress. The event served as a platform to integrate academic learning with civic engagement, enabling students to reflect on real-world challenges and propose innovative solutions.

Through structured competitions such as essay writing and speech, the programme promoted intellectual engagement, creativity, and communication skills.

2. Objectives

- To create awareness about Rajasthan Mission-2030 and its developmental goals
- To encourage students to express innovative ideas for the state's future
- To promote critical thinking, creativity, and communication skills
- To involve youth in governance awareness and policy engagement
- To foster a sense of responsibility toward societal and regional development

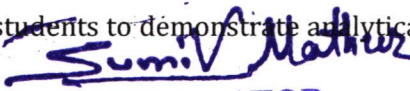

3. Event Highlights

- The programme was conducted over two days, ensuring structured participation across classes.
- Two major competitions were organized:

- a) Essay Writing Competition
 - Participants: 61 students
- b) Speech Competition
 - Participants: 47 students

Total Participation: 108 students, reflecting strong student engagement.

- Students presented their perspectives on themes such as:
 - Sustainable development and infrastructure
 - Education and healthcare reforms
 - Employment generation and innovation
 - Social security and inclusive growth
- The competitions provided a platform for students to demonstrate analytical ability, creativity, and public speaking skills.
- Winners were recognized and felicitated:

4. Outcomes

The programme successfully achieved its objectives by enhancing students' awareness regarding Rajasthan Mission-2030 and its vision for inclusive and sustainable development. Participants developed a better understanding of the role of youth in governance, policy formulation, and societal progress.

One of the key outcomes was the development of critical thinking and analytical skills, as students were required to evaluate real-world issues and propose innovative solutions. The essay and speech competitions significantly contributed to improving communication skills, articulation, and confidence, particularly in public speaking contexts.

The event also fostered civic awareness and responsibility, encouraging students to actively engage with developmental policies and contribute to nation-building initiatives. Additionally, it promoted student engagement and participation, creating an intellectually stimulating academic environment.

The programme further enhanced creativity and problem-solving abilities, as students presented diverse perspectives on economic, social, and environmental challenges.

5. Conclusion

The Rajasthan Mission-2030 Awareness Programme and Student Competitions at Venkateshwar Institute of Pharmacy were successfully conducted and effectively fulfilled their objective of promoting policy awareness, civic engagement, and student participation.

The programme demonstrated that academic institutions play a vital role in developing informed, responsible, and socially aware citizens by encouraging students to engage with real-world developmental challenges. The combination of intellectual competitions and awareness initiatives ensured meaningful learning and participation.

The enthusiastic involvement of students highlights the effectiveness of the event in fostering critical thinking, communication skills, and civic responsibility. It also reinforced the importance of integrating policy awareness into academic activities.
