

EVENT COMPLETION REPORT		
	Seminar on Career Opportunities in Public Health & Hospital Administration	Date: 16.04.2026 Time: 11:00 AM to 12:00 PM
	Venue: VIPS Campus	

Seminar on Career Opportunities in Public Health & Hospital Administration

1. Introduction

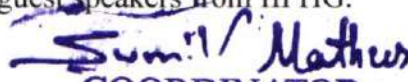

Venkateshwar Institute of Paramedical Sciences (VIPS), a constituent unit of Sai Tirupati University, Umarda, Udaipur, organized a seminar on **“Career Opportunities in Public Health & Hospital Administration.”** The session was conducted by experts from the Indian Institute of Public Health Gandhinagar (IIPHG). The seminar aimed to create awareness among students regarding emerging career pathways in public health and healthcare management sectors.

2. Objectives

- To introduce students to the field of public health and hospital administration.
- To provide information about various career opportunities in national and international healthcare sectors.
- To guide students on higher education options and professional certifications in public health.
- To enhance understanding of the role of healthcare administrators in improving healthcare delivery systems.
- To motivate students to explore interdisciplinary career options beyond traditional paramedical roles.

3. Event Highlights

- The seminar commenced with a welcome address by the institute faculty, followed by the introduction of the guest speakers from IIPHG.

- Experts delivered insightful presentations covering key areas such as epidemiology, health policy, hospital management, and public health programs.
- Students were introduced to real-world case studies and current challenges in the healthcare system.
- Information regarding admission procedures, eligibility criteria, and course structures at IIPHG was shared.
- An interactive question-and-answer session was conducted where students actively participated and clarified their queries regarding career planning.
- The seminar witnessed enthusiastic participation from students across various paramedical courses.

4. Outcomes

- Students gained clarity about diverse career paths in public health and hospital administration.
- Awareness about higher education opportunities and professional growth in healthcare management increased.
- Students developed an understanding of the importance of public health in society.
- Enhanced interest among students to pursue careers in healthcare leadership and administration.
- Improved confidence among students in making informed career decisions.

5. Conclusion

The seminar was highly informative and beneficial for students, providing valuable insights into emerging career opportunities in the healthcare sector. The session successfully broadened the perspective of students regarding non-clinical career options and emphasized the importance of public health in nation-building.

6. Acknowledgements

The institute expresses sincere gratitude to the team of the Indian Institute of Public Health Gandhinagar (IIPHG) for delivering an insightful and engaging session. We also thank the Principal, faculty members, and organizing team of VIPS for their support in successfully conducting the seminar.

INDIAN
INSTITUTE
of PUBLIC
HEALTH
GANDHINAGAR

ESTABLISHED BY GOVT. OF GUJARAT AND PHFI

10th April, 2026

Subject – **"Request to Organize a Seminar on "Career Opportunities in Public Health & Hospital Administration"**

Respected Madam/Sir,

Greetings from Indian Institute of Public Health Gandhinagar (IIPHG)!

We are pleased to introduce **Indian Institute of Public Health, Gandhinagar**, India's first Public Health University, established jointly by the Government of Gujarat and the Public Health Foundation of India (PHFI). The foundation stone of IIPHG was laid in 2008 under the visionary leadership of Shri Narendra Modi (then Hon'ble Chief Minister of Gujarat). Recognized under the IIPHG Act 2015, we are dedicated to strengthening the public health & healthcare system in India through education, training, research, and policy initiatives.

As a part of our initiative to create awareness about careers in public health and healthcare administration, we propose to organize a **seminar on "Career Opportunities in Public Health and Hospital Administration"** for students of your esteemed institution. The session will cover emerging trends in the healthcare sector, required qualifications and skills, as well as guidance on pursuing careers in hospitals, healthcare organizations, NGOs, and government health departments. We believe this seminar will be highly beneficial for students who are exploring career options in the healthcare domain.

About Our Programs

IIPHG offers the following postgraduate programs:

1. **Master of Public Health (MPH):** A multidisciplinary program covering epidemiology, biostatistics, health management, social sciences, and health policy.
2. **Master of Hospital Administration (MHA):** Focused on healthcare management, hospital operations, and quality improvement in healthcare facilities.
3. **Master of Public Health- Public Health Nutrition (MPH_PHN):** Focused on Public Health Nutrition (PHN)

Many graduates have successfully transitioned into leadership roles in healthcare administration, research, policy-making, and public health interventions through these programs.

The proposed seminar will be 45 Minutes to 1 Hour and will be delivered by our expert faculty and will be conducted at no cost to your institution.

We would like inform that our Team will visit Udaipur on 16th and 17th of April, we kindly request you to suggest a suitable time for conducting the seminar at your Institution.

We sincerely appreciate your collaboration, and we are confident that this seminar will be a valuable learning experience for all involved.

Thanks and Regards,

Indian Institute of Public Health, Gandhinagar
