

EVENT COMPLETION REPORT

Water and Energy Conservation Seminar

Date: 18/04/2025

Time: 10:00 AM – 2:00 PM

Venue: VIPS Campus

Organised by: Venkateshwar Institute of Paramedical Sciences

1. Introduction

Venkateshwar Institute of Paramedical Sciences organized a water and energy conservation seminar on 18th April, 2025 to create awareness about the importance of sustainable use of natural resources. The seminar emphasized responsible water and energy consumption and highlighted the role of educational institutions and healthcare professionals in promoting environmental sustainability.

2. Objectives

- To create awareness about the importance of water and energy conservation.
- To educate students about sustainable practices in daily life and workplaces.
- To highlight the impact of excessive resource consumption on the environment.
- To promote eco-friendly habits among students and staff.
- To encourage responsible citizenship and environmental responsibility.

3. Event Highlights

- The seminar commenced at 10:00 AM with an introductory address on environmental sustainability and conservation.
- Mrs. Vaidika Rathore conducted the session and delivered an informative lecture on water and energy conservation practices.
- Topics covered included water conservation techniques, rainwater harvesting, energy efficiency, and reduction of wastage.
- The importance of conservation in healthcare and educational institutions was emphasized.
- Practical examples and real-life case studies were shared to enhance understanding.
- The session included interactive discussions and student participation.
- The seminar concluded at 01:45 PM with a vote of thanks.

4. Outcomes

- Students gained awareness about the need for conserving water and energy resources.
- Participants developed an understanding of sustainable practices and eco-friendly habits.
- The seminar encouraged responsible use of natural resources.
- Awareness was created about the role of individuals in environmental protection.

5. Conclusion

The water and energy conservation seminar organized at Venkateshwar Institute of Paramedical Sciences was informative and impactful. The session successfully sensitized students towards sustainable resource management and reinforced the importance of environmental responsibility in both personal and professional life.

6. Acknowledgements

We express our sincere gratitude to:

- Mrs. Vaidika Rathore for delivering an informative and engaging session.
- The management of Venkateshwar Institute of Paramedical Sciences for their support.
- Faculty members for their coordination and guidance.
- Students for their active participation.
- Support staff for ensuring the smooth conduct of the seminar.
