

EVENT COMPLETION REPORT

World Pharmacist Day Celebration

Date: 26th September 2022

Time: 11:00 AM onwards

Venue: Venkateshwar Institute of Pharmacy, Umarda, Udaipur

Organised by: Venkateshwar Institute of Pharmacy

1. Introduction

Venkateshwar Institute of Pharmacy celebrated *World Pharmacist Day* on *26th September 2022* to recognize and highlight the vital role of pharmacists in improving global healthcare outcomes. Observed annually on 25th September, World Pharmacist Day serves as an important platform to create awareness about the contributions of pharmacy professionals in ensuring safe, effective, and rational use of medicines.

The celebration was aligned with the global theme "Pharmacy United in Action for a Healthier World," emphasizing the collective responsibility of pharmacists in promoting public health, patient safety, and community well-being. In the evolving healthcare landscape, pharmacists play a critical role not only in dispensing medicines but also in areas such as drug safety, pharmacovigilance, patient counselling, and health awareness.

Recognizing this significance, the institute organized the programme to enhance students' understanding of professional responsibilities, ethical practices, and emerging opportunities in the pharmacy field.

2. Objectives

- To recognize and honor the contribution of pharmacists in healthcare services
- To create awareness about the role of pharmacists in public health and medicine safety
- To encourage pharmacy students to understand their professional responsibilities
- To promote ethical practices and rational use of medicines
- To enhance community awareness regarding healthcare and medication safety

3. Event Highlights

- The programme commenced with an introductory address by Dr. Khemchand Gupta, Principal and Event Coordinator, emphasizing the importance of pharmacy professionals in healthcare systems.
- A guest lecture by Dr. Dinesh Agrawal on "Role of Pharmacists in Public Health" provided insights into:
 - Pharmacists' role in disease prevention and health promotion
 - Importance of rational drug use and medication safety
 - Expanding scope of pharmacy practice
- A Rangoli Competition based on the event theme was organized, encouraging creative expression and conceptual understanding of pharmacy-related themes.
- A Poster Presentation Competition was conducted, where students presented innovative ideas on safe medication practices and rational drug use.
- Awareness messages were disseminated among participants regarding responsible medicine use and patient safety.

- The event concluded with felicitation of winners, recognizing student participation and achievements.

4. Outcomes

The programme witnessed participation from 64 students and 11 staff members, indicating strong engagement in academic and professional development activities.

The event successfully achieved its objectives by enhancing students' understanding of the role of pharmacists in healthcare delivery and public health systems. Participants gained deeper insights into rational drug use, medication safety, and professional ethics, which are critical components of pharmacy practice.

One of the key outcomes was the development of professional awareness and identity among students, encouraging them to view their role as responsible healthcare providers. The competitions, including poster presentations and rangoli, contributed to improving creativity, communication skills, and conceptual clarity.

The programme also strengthened community awareness regarding safe medication practices, aligning academic learning with real-world healthcare applications. Additionally, it promoted student engagement, confidence building, and teamwork, enhancing overall personality development.

5. Conclusion

The World Pharmacist Day Celebration at Venkateshwar Institute of Pharmacy was successfully conducted and effectively fulfilled its objective of promoting professional awareness, healthcare responsibility, and academic engagement among students.

The programme demonstrated that structured academic and awareness initiatives can significantly contribute to developing competent, ethical, and socially responsible pharmacy professionals. The combination of expert lectures, competitions, and interactive activities ensured meaningful participation and knowledge dissemination.

The active involvement of students and faculty highlights the effectiveness of the event in fostering professional identity, ethical values, and communication skills. It also reinforced the importance of integrating academic learning with practical awareness in the healthcare domain.
