Event Name: Educational Visit – Narayan Seva Sansthan, Badi, Udaipur

Date: 22nd Dec. 2025

Time: 11:00 AM onwards

Venue: Narayan Seva Sansthan, Badi, Udaipur

Organised by: Venkateshwar College of Nursing Umarda, Udaipur

INTRODUCTION

As part of the community health nursing curriculum, Venkateshwar College of Nursing organized an educational visit to Narayan Seva Sansthan, Badi. The visit was organized for B.Sc. Nursing IV Semester students accompanied by 02 staff members. The program aimed to provide students with practical exposure to the rehabilitation and holistic care of physically challenged individuals within a community.

OBJECTIVES

- To understand the comprehensive care and management of physically handicapped patients.
- To observe and learn about polio care and rehabilitation services.
- To gain insight into the social services provided, including support for marriages.
- To explore opportunities for nursing students to engage in community service and social responsibility.
- To understand the role of interdisciplinary teams in providing holistic care to patients with physical disabilities.

EVENT HIGHLIGHTS

The visit provided students with a detailed look into the specialized operations of the Sansthan:

- **Clinical Observation:** Students observed the management of patients with physical disabilities and the medical protocols followed for their treatment.
- **Rehabilitation Services:** The group learned about polio care and the various therapeutic interventions used to improve patient mobility.
- **Social Advocacy:** Officials briefed the students on the social support systems in place, such as organized mass marriages for the specially-abled.
- **Interdisciplinary Collaboration:** Students witnessed how different healthcare and social work professionals collaborate to deliver holistic care.

OUTCOMES

- **Professional Development:** Students enhanced their understanding of the nursing management required for physically handicapped patients.
- **Practical Insight:** The visit bridged the gap between classroom theory and real-world rehabilitation and polio care practices.
- **Community Awareness:** Students developed a stronger sense of social responsibility and the importance of community service.
- **Teamwork Perspective:** Participants gained a clearer understanding of the interdisciplinary approach to patient wellness.
