Date: 28th March, 2026

Time: 12:00 PM

Venue: Venkateshwar College of Nursing, Umarda, Udaipur

Organized by: Venkateshwar College of Nursing, Umarda, Udaipur

1. Introduction

The Orientation Program was organized by Venkateshwar College of Nursing with the aim of warmly welcoming newly admitted students and helping them adapt to their new academic environment, institutional values, and professional expectations. Starting a new journey in nursing education can be both exciting and challenging. Therefore, this program was designed to reduce anxiety, build confidence and motivation, and provide a clear understanding of the academic structure, institutional policies, and professional expectations. The session emphasized the importance of nursing as a noble and responsible profession that requires dedication, compassion, and strong ethical values. Faculty members guided students about their roles as future healthcare providers and motivated them to maintain discipline, professionalism throughout their academic journey.

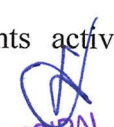

2. Objectives

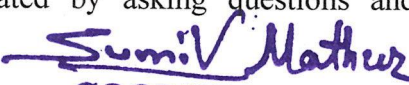

- The main objectives of the Orientation Program were:
- To provide a warm and friendly welcome to new students
- To introduce students to the college environment, faculty members and facilities
- To provide information about academic structure and curriculum
- To guide students regarding clinical training and practical exposure in hospital
- To develop confidence and reduce fear, confusion and anxiety among new students
- To promote professional values and ethical responsibilities in nursing
- To promote confidence, communication, and student participation
- To develop a sense of responsibility, discipline, and professional ethics
- To encourage students to actively participate in academic and extracurricular activities

3. Event Highlights

The Orientation Program was conducted in an organized and engaging manner:

- Welcome Address: The program started with a warm welcome by the faculty, creating a friendly and supportive atmosphere.
- Introduction Session: All faculty members introduced themselves, sharing their qualifications, experience, and subjects they will be teaching. This helped students feel connected and supported.
- Academic Briefing: Detailed information about subjects, exams, and evaluation system was provided
- Campus Tour: Students were guided through classrooms, laboratories, library, and clinical facilities
- Interactive Session: Students actively participated by asking questions and sharing their expectations
