

EVENT COMPLETION REPORT

Event Name: Pediatrics Model Exhibition 2026

Date: 08th April 2026

Time: 11:00 AM

Venue: Seminar Hall, Venkateshwar College of Nursing, Umarda

Organised by: Venkateshwar College of Nursing Umarda, Udaipur

1. Introduction:

On the occasion of enhancing academic excellence and practical learning, Venkateshwar College of Nursing organized a Paediatrics Model Exhibition 2026. The exhibition aimed to provide a platform for nursing students to showcase their knowledge, creativity, and understanding of pediatric concepts through various models and presentations. This initiative reflects the institution's commitment to experiential learning and improving clinical competencies among students.

2. Objectives:

- To enhance students' understanding of pediatric concepts through practical demonstration.
- To encourage creativity and innovation among nursing students.
- To provide a platform for students to present their knowledge and skills.
- To promote collaborative learning and teamwork.
- To strengthen communication and presentation skills among students.

3. Event Highlights:

The exhibition was organized successfully with active participation from students and faculty:

- Model Presentation: Students of B.Sc. Nursing and M.Sc. Nursing presented various pediatric models on topics such as growth and development, neonatal care, immunization, common childhood diseases, and pediatric emergencies.
- Evaluation Process: Faculty members evaluated the models based on creativity, accuracy, presentation, and relevance to paediatric nursing.
- Interactive Learning: Students explained their models to judges, teachers, and peers, making the exhibition highly interactive and educational.
- Participation: A large number of students actively participated, demonstrating enthusiasm and dedication towards learning.

4. Outcomes:

- Enhanced Knowledge: Students developed a deeper understanding of pediatric nursing concepts through hands-on learning.
- Skill Development: The activity improved students' communication, presentation, and critical thinking skills.
- Confidence Building: Participants gained confidence in explaining and demonstrating clinical concepts.
- Academic Growth: The exhibition bridged the gap between theoretical knowledge and practical application.
- Teamwork: Students worked collaboratively, promoting coordination and group learning.

5. Conclusion:

The Pediatrics Model Exhibition 2026 was a successful academic event that provided valuable learning experiences to nursing students. It encouraged innovative thinking and strengthened their understanding of pediatric care. The event significantly contributed to the overall academic and professional development of students, aligning with the institution's goal of producing competent healthcare professionals.

6. Acknowledgment:

The organizing committee extends sincere gratitude to the respected Principal, faculty members, and all staff of Venkateshwar College of Nursing for their constant support and guidance. Special thanks to all the students who actively participated and made the exhibition successful with their hard work and creativity. The cooperation and enthusiasm of everyone involved played a vital role in the successful completion of this event.
