Introduction

The Venkateshwar College of Nursing, Udaipur, issued a circular announcing a mandatory skill development program for auxiliary staff (office attendants, maintenance & cleaning personnel). The program aims to enhance safety and efficiency within the campus.

Objective

The primary objective of the skill development program is to improve workplace safety and operational efficiency among auxiliary staff, focusing on:

- Enhancing safety practices.
- Upgrading skill sets for better performance.
- Ensuring a secure and efficient campus environment.

Event Highlights

- The program targets office attendants, maintenance, and cleaning staff.
- Sessions likely covered safety protocols, handling equipment, and best practices for workplace efficiency.

Outcomes

Expected outcomes of the program include:

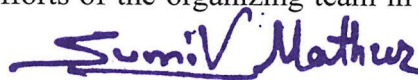

- Improved safety awareness and practices among auxiliary staff.
- Enhanced efficiency in daily operations (maintenance, cleaning, office assistance).
- Reduced workplace accidents and improved campus environment.
- Better skillset for staff to handle responsibilities effectively.

Conclusion

The skill development program on workplace safety is anticipated to significantly benefit the auxiliary staff and overall campus operations by fostering a safer, more efficient work environment. Such initiatives contribute to institutional excellence and staff professionalism.

Acknowledgement

The program is organized by Venkateshwar College of Nursing, under the guidance of the principal, with appreciation for the efforts of the organizing team in promoting staff development and safety awareness.
