

EVENT COMPLETION REPORT

Event Name: World Breast Feeding Week 2025

Date: 4th August 2025

Time: 11:00 AM onwards

Venue: Venkateshwar College of Nursing, Umarda

Organized by: Venkateshwar College of Nursing, Umarda, Udaipur

1. Introduction

Venkateshwar College of Nursing, Udaipur, organized a celebration of world breastfeeding week observed from August 1st to August 7th. The program aimed to promote awareness about the importance of breastfeeding week and its benefits for both mothers and infants.

2. Objective

The objective of celebrating Breastfeeding Week

- Educate students and the community about the benefits of breastfeeding, such as providing essential nutrients, enzymes, and antibodies for babies
- Promote exclusive breastfeeding for the first six months and continued breastfeeding up to two years or beyond
- Raise awareness about the significance of supporting breastfeeding mothers in all their diversity and breastfeeding journeys
- Highlight the role of families, communities, societies, and healthcare professionals in providing breastfeeding support.

3. Activities and Initiatives

- Seminars and Workshops: Organizing expert talks and interactive sessions to educate students and staff about breastfeeding benefits and best practices.
- Health Camps and Awareness Programs: Conducting health camps, awareness programs, and campaigns to promote breastfeeding and provide support to nursing mothers.
- Student Engagement: Encouraging students to participate in breastfeeding awareness initiatives, promoting a culture of support and understanding.
- Model and Chart Exhibition.

4. Programme Co-Ordinator

Programme is coordinated by faculty member: Dr. Chandra Prakash Dekhawat, Ms. Muneera Makrani, Mrs. Neeraj Jhala, Mr. Pushkar Regar.

5. Conclusion

Venkateshwar College of Nursing's efforts to promote breastfeeding awareness contribute to the global agenda of improving infant and maternal health. By educating students and the community, the college plays a vital role in shaping the future of healthcare and supporting breastfeeding mothers. Responsible classes are B.Sc. Nursing 5th Sem students & B.Sc. 4th year student
