

EVENT COMPLETION REPORT

Event Name: World Environment Day 2023

Date: 5th June, 2023

Time: 11:00 AM onwards

Venue: Fateh Sagar, Udaipur

Organized By: Venkateshwar College of Nursing, Umarda, Udaipur

1. Introduction

World Environment Day 2023 was observed with enthusiasm to highlight the link between a healthy environment and public health. The college organized a series of activities aimed at sensitizing students, faculty, and the local community about sustainable practices and their impact on nursing care.

2. Objective

To raise awareness among students, faculty and the local community about environmental protection and to inspire sustainable practices within the nursing profession.

3. Key Activities and Highlights

- Tree-planting ceremony along the lakefront, with 50 saplings donated by the college.
- Interactive talk by Dr. Madhu Sharma on "Nursing and Sustainable Health Care."
- Poster and slogan competition on eco-friendly health practices.
- Clean-up drive of the lake premises, led by the student council.
- Cultural segment featuring a short drama on "Green Hospitals."

4. Conclusion

Participants – students, faculty, nursing staff, and local residents. Participants expressed increased knowledge of environmental health impacts and pledged to adopt waste-reduction measures in clinical settings. The planted saplings will be monitored by the college's environmental club as a lasting legacy. We thank Dr. Madhu Sharma for her inspiring address, Mrs. Neeraj Kunwar for coordinating the event, the Udaipur Municipal Corporation for supporting the clean-up, and all volunteers who made the day a success.
