

EVENT COMPLETION REPORT

World Health Day Celebration – 2025

Date: 07th April 2025

Time: 12:00 noon onwards

Venue: Venkateshwar College of Nursing Building, Sai Tirupati University

Organised by: Venkateshwar College of Nursing, Umarda, Udaipur

1. Introduction

To mark the global observance of World Health Day, the Venkateshwar College of Nursing under the aegis of Sai Tirupati University, organized an awareness-driven and student-focused celebration on 7th April 2025. Aligned with the World Health Organization's (WHO) global theme, the event aimed to foster a deeper understanding of current healthcare challenges and promote holistic well-being among future nursing professionals.

2. Objectives

- To raise awareness about current public health issues in alignment with WHO's World Health Day theme
- To highlight the role of nursing professionals in promoting preventive health and patient care
- To engage students in activities that foster responsibility and health-conscious behaviours
- To promote interdisciplinary learning and healthcare leadership among nursing students

3. Event Highlights

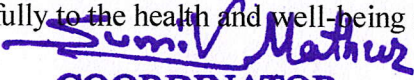

- The event began with a welcome address by Mrs. Maheshwari Patel, Faculty Coordinator, who emphasized the importance of health literacy and preventive care in modern nursing practice.
- Prof. Rohit Yadav, Chief Guest and Head of Department, Government College of Nursing, Udaipur, delivered a keynote address. He applauded the efforts of the institution in shaping future healthcare leaders and spoke about:
 - The significance of World Health Day in a post-pandemic world
 - The essential role nurses play in achieving universal health coverage
 - The importance of self-care, community awareness, and skill-based training
- The celebration included a series of student-led activities, such as:
 - Health-themed skit and role-play on community hygiene and disease prevention
 - Poster and slogan presentation based on the annual WHO theme
 - Interactive quiz and discussion on healthcare practices and lifestyle choices
- Students showcased creativity, teamwork, and knowledge application throughout the event. The active involvement created a vibrant and educational atmosphere on campus.

4. Outcomes

- All Nursing students have attended the Event
- Improved student awareness of healthcare delivery systems, disease prevention, and global health trends
- Strengthened understanding of the nurse's role in promoting public health and patient education
- Encouragement of leadership, advocacy, and health promotion through active learning

5. Conclusion

The World Health Day Celebration – 2025 at Venkateshwar College of Nursing was an enriching and impactful event that combined learning with awareness. It reinforced the commitment of Sai Tirupati University toward nurturing socially responsible, professionally competent, and empathetically driven healthcare providers. The celebration successfully cultivated a sense of responsibility among students to contribute meaningfully to the health and well-being of society.
