

	EVENT COMPLETION REPORT	
	Organ Donation Awareness Rally Occasion: World Brain Day & Organ Donation Awareness Month	Date: 22 July 2026 Time: 11:00 AM to 1:00 PM
	Venue: Pacific Institute of Medical Sciences (PIMS), Udaipur	

Organized by: Sai Tirupati University, Udaipur

Participating Institute: Venkateshwar Institute of Allied and Health Care Sciences, Umarda, Udaipur

1. Introduction

On the occasion of **World Brain Day (22 July 2026)** and **Organ Donation Awareness Month**, Sai Tirupati University organized an **Organ Donation Awareness Rally** to spread awareness about the importance of organ donation and brain stem death. Students, faculty members, and staff from all constituent colleges actively participated in the rally. The **Venkateshwar Institute of Allied and Health Care Sciences (VIAHS), Umarda, Udaipur**, proudly joined this noble initiative, demonstrating its commitment to promoting public health awareness and social responsibility.

2. Objectives

The primary objectives of the rally were:

- To create awareness about the importance of organ donation.
- To educate the public about brain stem death and its significance in organ transplantation.
- To encourage voluntary organ donation among citizens.
- To spread the message that one organ donor can save many lives.
- To inspire students and healthcare professionals to become advocates for organ donation.

3. Event Highlights

- Faculty members, students, and staff of Venkateshwar Institute of Allied and HealthCare Sciences actively participated in the rally.
- The rally commenced from the PIMS College Building and proceeded towards PIMS Hospital.
- Participants carried awareness placards and banners displaying messages promoting organ donation.
- Slogans emphasizing the life-saving benefits of organ donation were raised throughout the rally.
- The event witnessed enthusiastic participation from all constituent colleges of Sai Tirupati University.
- The rally successfully attracted the attention of the public and conveyed the importance of organ donation in saving lives.

4. Outcomes

- Increased awareness among students and the general public regarding organ donation.
- Improved understanding of brain stem death and its role in organ transplantation.
- Encouraged participants to discuss organ donation with their families and communities.
- Strengthened the social responsibility and community engagement of healthcare students.
- Reinforced the message that organ donation is one of the greatest humanitarian acts.

5. Conclusion

The organ donation awareness rally was a meaningful and successful initiative that promoted awareness about the life-saving importance of organ donation. The active participation of the Venkateshwar Institute of Allied and Health Care Sciences reflected the institute's dedication to healthcare education, public awareness, and community service. The event inspired participants to contribute towards creating a healthier and more compassionate society.

6. Acknowledgements

The Venkateshwar Institute of Allied and Health Care Sciences expresses its sincere gratitude to the Sai Tirupati University for organizing this important awareness rally. We also thank the management, Principal, faculty members, students, and staff for their enthusiastic participation and support. Special appreciation is extended to the organizers at Pacific Institute of Medical Sciences (PIMS) for successfully coordinating the event and making it a memorable and impactful program.
